EXPANDED SCOPE STATEMENT

Fire Driver Crewleader

Exam Date: 10/18/2025

72141-010

SUBJECTS OF EXAMINATION: A test designed to evaluate knowledge, skills and/or abilities in the following areas:

1. Preparing written material

These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

2. Evaluating conclusions in light of known facts

These questions will consist of a set of facts and a conclusion. You must decide if the conclusion is proved by the facts, disproved by the facts or if the facts are not sufficient to prove or disprove the conclusion. The questions will not be specific to a particular field.

3. Understanding and interpreting fire codes

These questions test for the ability to comprehend written material related to fire prevention and inspection. You will be provided with a brief reading passage. You must then select the most appropriate statement relating to the passage on the basis of whether it:

a. accurately paraphrases portions of the passage; or b. adequately summarizes the passage; or c. presents an inference that can reasonably be drawn from the passage.

The reading passages are drawn from existing New York State and national codes, regulations, and standards. Knowledge of the subject matter contained in the reading passages is generally not related to answering the questions successfully because all of the information needed can be found in the passages.

The New York State Department of Civil Service has not prepared a test guide for this examination. However, candidates may find information in the publication 'General Guide to Written Tests' helpful in preparing for this test. This publication is available on line at: <https://www.cs.ny.gov/testing/testguides.cfm>.
